

SUPER OUTBOARD

TWO STROKE ENGINE OIL

USES

- Special oil for two stroke outboard engines of all makes and power when the manufacturer requires an oil meeting the specifications N.M.M.A. TC-WII® or TC-W3®.
- Premix with gasoline at the percentage recommended by the manufacturer.

PROPERTIES

- Oil with increased detergent properties : avoids clogging, ring sticking and spark plug fouling.
- Reinforced anticorrosive and antirust properties.
- Oil with increased anti-wear properties : avoids seizure and binding.
